Your complete guide to this issue's **BONUS VIDEOS**

This issue comes with 10 full-length bonus videos.

As always, these videos are totally free with absolutely no strings attached. They can be played on your PC, laptop, Mac, iPhone, iPad, smartphone or tablet. You can stream them or download and save them forever. No email, credit card or personal information will be requested. You'll also get a free digital version of the entire issue so you can take **18eighteen** anywhere you go.

Here are the highlights of this issue's bonus scenes.

Kay J. is as nubile as they come. She's young, beautiful and ready to play. With a body like hers, it's no wonder she can't keep her paws off herself. You'll love her big, perky tits and puffy nipples.

Joseline Kelly is trying to study, but her mind keeps wandering. It's a nice day out; she figures she should get some fresh air. Some fresh air on her pussy, that is. She goes to town rubbing her meaty pussy and sliding her fingers in and out of her tight tunnel.

Kenzie Kai goes straight for her tutor's cock. She practically impales her throat on his rod for a rough facefucking. And the fucking is just as rough as the sucking.

Ariel Grace wants to show you something. It's her tiny tits and tight pussy. But first she teases you by keeping her panties on as she strokes herself. Then the big reveal: her little twat and perfectly puckered butthole.

This is Madison Reese's first black cock. She doesn't hold back and goes straight to sucking it, choking on it and drooling all over his shaft. Then she lets him pound her every which way. Not bad for a first-timer.

Melody Wylde is ballsy. Not only is she getting naked in class, but she's gonna spray her teacher's desk, too! She climbs on top of his desk and her super-pink pussy starts dripping right away. She finger-fucks herself and rubs her G-spot until she's squirting and sitting in a puddle of her own juice.

Charity Crawford doesn't want to study. She'd rather get her pussy licked and fucked by her nerdy tutor. She backs her ass up on his cock as they fuck doggie-style. She grinds her hips as she rides. Then she gets down on her knees and takes his load with her mouth open and tongue out.

Angelina really gets into her masturbation because she knows you're watching. She gets on all fours to stick her ass in the camera while diddling and fingering her shaved pussy. Angelina rubs her G-spot then works her way to an orgasm with rough circles around her clit.

If you like skinny, blonde flatties, Caterina Petrov is your girl. She's a nice girl who likes to fuck. Her boyfriend tongues her meaty folds and then splits them with his big cock.

Megan's a hot brace-face. She raises her hips as she rubs her clit, wishing she could fuck the imaginary cock that's making her cum in her mind.

Megan Socks It To You

Dear Virgin Territory,

Megan looked very cute in her hardcore pictorial from Vol. 23 No. 1. I like it when girls wear thigh-high socks. It's a sexy look. That cock looked so fat in Megan's mouth. It really looked like she was getting her mouth stretched out as she sucked it, and I enjoyed looking into her pretty blue eyes as she gave head. Overall Megan is a beautiful teen babe. I had lots of precum oozing out of my dick as I looked at the pictures of her getting fucked. Doggie-style is one of my favorite positions because you can see the girl's butthole. Megan's little butthole looked incredibly hot and tight in her doggie-style picture on page 60. And I don't know how that guy could stop himself from sucking and fondling those perfect pointy nipples in the photo above. If it were me, those pointy, little nips would be in my mouth at all times. The only thing I wish were different was where the guy blew his load. It would have been hotter if he came on Megan's face or in her pussy instead of on her feet. Please stick to the facials and creampies Other than that I really enjoyed seeing Megan fuck.-A., via email

Dear A.,

We get that you'd prefer to see a facial. Most of our hardcore sets end with facials and we'll continue to stick with that trend.

Tight & Right

Dear Virgin Territory,

Eliana from Vol. 23 No. 1 is a little fuck doll. She reminds me of the girls I would check out and jack off to when I was in high school-tight-bod-

ied brunettes with perky tits. The difference is that I never got to see their pussies or buttholes, but with Eliana I get to see every inch. And damn, that pussy and butthole both look good. The photo of her on page 79 bent over and teasing us with her starfish is great. Her ass looks amazing. And that pink pussy looks ready for a stuffing. She looks like she moans and cums a lot. Will we be so lucky to see Eliana in hardcore? I need to see this hottie covered in cum.-C.C., Fort Lauderdale, Florida

Dear C.C.,

Eliana has a hardcore scene that you can see in Glazed Teens 5. Order it on page 99.

The Gal's Got Gams

Dear Virgin Territory,

I love girls with a little meat on their bones. Girls like Carmen from

the Vol. 23 No. 1 issue. Those legs and ass got me drooling. Carmen looks great in those shorts and should wear outfits that show off her legs as often as possible. Some guys are into big tits, but for me, there is

nothing more erotic than seeing the shapely curves of a pair of thick, well-defined legs. They are the epitome of feminine sensuality, leading up to her juicy center. One of my favorite things is when a girl wraps her legs around my head while I eat her pussy. Carmen could suffocate me between her legs all she wants while I lap up that cute little twat of hers. Can you tell me if she has been in any other magazines or movies? I'd love to see more of her.-X., via email

Dear X.,

Unfortunately that was the only photo set we have of Carmen. We'd love to have more photos and videos of her, but we think she shot on a whim and went back to her regular life. But there's a bonus photo of her on page 5.

A Harley You'll Want To Ride

Dear Virgin Territory,

I noticed in Vol. 22 No. 6 Harley had a bonus video included in the issue but I didn't see a pictorial of her. I was wondering why this is, since the issue comes with videos that correspond to the pictorials. She's a stunner and I would've loved to see photos of her. Naturally, I enjoyed her video, even though I usually prefer hardcore. It was easy

to watch her on her own, especially with that banging body. That meaty pussy of hers looks so juicy and I want to tap that nice ass of hers. Her pretty face would look even prettier with some cum on it, but I still blew my load watching her O face while she masturbated. Where can I see more of Harley?-J.C., Mesa, Arizona

Dear I.C.,

The reason a bonus video of Harley was included is because she had a layout that only ran in the UK edition. Being in the US, you received the International edition which did not feature this layout. However we include bonus videos for layouts that only run in the UK so everyone can enjoy them. If you'd like to see more of Harley you can check out her layout in the Oct. '17 issue, available in digital format online at eboobstore.com.

Lusting For Loreen

Dear Virgin Territory,

Whatever happened to Loreen? I was going through some old magazines and saw her in the Dec. '14 issue. I was reminded of what a cutie she is. I don't know how I could forget those blue eyes and that juicy ass, but now that I've revisited her photos, I can't stop thinking about her. I would love to suck those round nipples and that meaty pussy of hers. The way her inner labia hangs out past her outer lips is so sexy. I could just kneel before her and go to town on that pussy. Then I would turn her around and do the same thing on her butthole. When she spreads her pussy lips her slit looks so tiny. I can only imagine how tight, wet and amazing it would feel pulsating around my cock.

I know that Loreen was in some other issues. Can you please remind me what they were? And let me know if she has any appearances in any of your other publications. I would also greatly appreciate a bonus photo of her as you usually do in your letters section. Thank you!-F.C., Riverside, California

Dear F.C.,

Loreen was also in the Sept. '14 and April '15 issues. You can also watch her solo scene in Honey Cunnies 3.

Drop Dead Reds

Dear Virgin Territory,

I love redheads, and I believe it's been a long time since your last redhead special. So I was thrilled to see that Vol. 23 No. 1 had the Ginger Spice special. You pulled out some classic models who I had forgotten about but greatly enjoyed being reminded of. Right off the bat there was Elle Alexandra. This auburnhaired beauty was a great way to start the special. That pink pussy of hers is so enticing. Alex Tanner is another one of my favorite redheads. And I had all but forgotten about Nikki! I remember seeing her years ago and thinking she was a cutie.

What Members Are Saying Aglimpse inside 18 eighteen.com

Mabel May: Bendy Brace-Face

M3361754 says: "Mabel is a teen girl with braces, little bumps

for boobs and no hair on her pussy. Seeing her strip, pose and masturbate is a dream, to which I came very hard looking at the close-up of her cunt."

Megan Marx:

Slutty Schoolgirl

M3361754 says: "Very sexy when she is touching herself and her slit can be seen through the pink panties. Then wow at the end she really rubs her pube-free cunny hard as she is cumming. My perfect dream teen, what a dream it would be to discover a girl masturbating like this."

Megan Marx

80 Pics Ashley Jensen Apr 2008

Ashley Jensen:

JM Scotland says: "I don't think poor Ashley Jensen is liked by the 18eighteen readers/fans. Maybe it's her stars tattoos. I think she's fucking gorgeous and I think her tattoos are cute. Don't worry, Ashley. I still love you."

Bonnie: Fluffy Surprise

M3332374: "I'm no fan of fur, but in this case I'm more than willing to make an exception. Bonnie rates in the top 10 of the most beautiful women I've ever seen. What a gorgeous darling! Double 5 stars."

Can you tell me what issue she was in so I can go through my old magazines and enjoy her full pictorial? I remember seeing Clarise somewhat recently, and what a fox she is. Her beautiful face and gorgeous figure are a ball-busting combo. And finally, Redly is another fresh-faced favorite. That meaty pussy of hers is begging to be licked and fucked. Thanks for all these hot ginger babes. I hope you'll be featuring some new redheads in 18eighteen soon.–B.E., New Brunswick, New Jersey

Dear B.E.,

Nikki was in the July '14 issue. Most recently we featured redheaded cutie Amber in Vol. 23 No. 3. Be sure to check her out in case you missed that issue. You can order a back issue on page 11.

Doggie Dilemma

Dear Virgin Territory,

I was hoping you could give me some advice. I'm a 19-year-old girl and I've known about your magazine for a while because my uncle (my mom's sister's husband) has a bunch of them hidden in a guest room in their house. He doesn't know that I've found his stash, but I like to look at the magazines sometimes. Everything is on the Internet these days, but I think it's kind of

cool to look through a magazine. It feels so retro.

Anyway, I could use some sex help. I hear so many girls saying they love doggie-style. And not only do they love it, but they love getting fucked hard in doggie. The thing is that it hurts me a lot to do it rough in doggie. I want to be able to enjoy it the way other girls seem to, but I just can't! It looks hot in videos and I want to be able to get to that point, but right now the only way I can manage it is if the guy goes really slow and gentle. That seems like it would be boring for the guy though. Do you have any advice about how I can take it harder and deeper in doggie-style?-K., via email

Dear K.,

There are a few things you can try to make doggie-style more comfortable for you. One thing that might help is keeping your legs together instead of spreading them apart. You can also try lying flat on your stomach with your legs closed. Make sure to play around with different angles and positions. Sex shouldn't be painful (unless that's what you're into). Remember there's nothing wrong with going slow and gentle if that's what feels best for you. Your pleasure matters too, and a good partner will respect that and want the best for you. 18

Nikki is the perfect mix of sweet and sexy.

She looks nice and wholesome. Even a little vanilla. But Nikki has a swirl of naughty in her mix. "Most of my fantasies involve having multiple people. I would love to be in a threesome or orgy or get gangbanged. I think it would be so much fun! I haven't been with a girl yet, and it'd be a great way to get started."

Meg couldn't believe her dad had gotten her a car for her birthday. Yeah, she'd taken Driver's Ed. And, she'd practiced a lot. Still, though, the last thing she expected on her first night behind the wheel was to be...

Ridden Hard and Put Away Wet

By Joe Monks Illustration by Otis Sweat

The key felt hot in her hand. It seemed to be vibrating. Was this for real, Meg wondered.

"Just, you know," her father said, that dad-look on his face. "Be careful, okay? Ahh, all right. Go on, get out of here. Go have some fun."

It wasn't spectacular, and it was far from new, but the 2005 Toyota Camry her dad had handed over the keys to was hers, and that was all that mattered. The interior was in good shape, paint still looked snazzy.

And...it was hers.

Which left the fun part. Steff, her bestie, was at work. Most of her other friends were hooked up, and, since it was Friday, that didn't leave a whole lot of options, new car or not. Now driving, she bounced over the railroad crossing, the vibrations traveling straight into her pussy. It made her want to U-turn and do it again. Maybe a couple dozen times. Her hand dropped into her lap. Wearing a skirt today had been an excellent wardrobe choice.

She pressed her fingers into her bloomers, the damp spot spreading, her inner thighs on fire. She did some quick calculations, thinking about the bus ride to and from school, picking which roads were the bumpiest. Maybe when she finished saving up for college, she'd start putting away money for a Jeep. Off roading, like her guy friends did on the weekends? All those unpaved trails through the woods with the deep ruts...and no panties? She shivered, dew continuing to leak from her snatch.

She crossed through the intersection under a green light that practically winked at her, encouraging her to find something exciting to do to break in her new wheels and celebrate her independence. Working a thumb under the elastic against her thigh, she stroked her swollen clit.

"Oh, man, "she groaned, signaling to get over and circle back to the train station. She'd just completed the lane change when her stomach gurgled, reminding her she hadn't eaten. She'd been heating something up in the microwave when her dad had walked in, having picked up the car on his way home. Her 18th birthday present. The excitement made her forget all about the popover she'd nuked. Oops. That's when the solution came to her: Food Court.

Ahead was the sign for the mall. Her pussy, though, was rebelling, refusing to be denied. It wasn't far. She didn't

have much time.

Doing her best to concentrate on the road—though still working her button furiously—she got behind an SUV full of people, also heading toward the mall. The slower pace worked in her favor. She adjusted her hand, desperately trying to get a finger up her snatch. That would do it, she thought, the parking lot looming up ahead. If she could just fingerfuck herself for thirty seconds, maybe a minute....

"C'mon, c'mon, c'mon," she whimpered, getting close now. Unfortunately, the light didn't turn red. The SUV headed toward Chuck E. Cheese. Frustrated, Meg swung toward the spots by the food court, wondering if she could squeeze out a quick cum before having to head inside. Just one.

Breathing heavily, she nosed the Camry into a spot, the tip of her finger finally parting her lips. Ungh. Then more ungh. Damnit! She was parked crooked. So, back out, and in. Still not straight, but at least, she was a little closer, up top and down below. Out and in again. Almost. Out...and...in.

She was on the cusp of a climax, a big one, when a car alarm went off. At first, she thought she might have tapped the ass-end of the car in front of her, but much to her non-clitty relief, no. She'd merely bumped the concrete stopper. A woman in the next row stopped, fingered her fob, and looked relieved as silence returned. Meg, on the other hand...

"That's it," she murmured. "Keeeeeep walking...."

Her middle finger was buried as far as she could stick it inside her pussy, her slippery clit throbbing. Any second now. Any sec-

"Hey hey, check it out!"

Meg froze. She knew that voice. Patty Simms, from school. And, she wasn't alone. Nadine was with her, both looking her way.

"Somebody got new wheels!" Nadine squealed, as the two girls rushed over. Uh-oh...

Meg ripped open the glove box, praying there were napkins. Score one for the horny, she said to herself, wiping her sticky fingers. Patty and Nadine were working their way between two cars, barely twenty feet away. Could she—?

"Fuck it," she said, crumpling the

napkin and leaving her thighs tacky. A bead of sweat trickled into her shirt and between her B-cups. She killed the radio just as Patty tapped on the window.

"Hey girl!" her classmate said cheerfully. "This ride yours?"

"Yup," Meg confirmed, dropping the napkin and climbing out. "Turning 18 ain't all bad."

Unless you're about to wax your leather seat and get interrupted, she thought, smiling as her pals looked the car over.

"Swe-ee-eet," Nadine declared. "We're going to scope out some

She adjusted her hand, desperately trying to get a finger up her snatch. That would do it...If she could just finger-fuck herself for thirty seconds, maybe a minute...

heels. Wanna come?"

Meg did, more than Nadine could imagine. Just not to scope shoes. And...had Nadine's boobs gotten bigger? Meg stared. Nades didn't need any help in the getting-guys-togawk department, the girl was sluthot and everyone who had to change with her in the locker room hated it. Well, besides Beth. Beth had been trying to munch Nadine's carpet all semester. Meg couldn't blame her. Given the chance, she'd consider hopping in bed with Nades, too. She'd never fooled around with another girl, but that didn't mean she wouldn't. Right now? If Nades offered to break in Meg's back seat? Oh, fuck yeah.

"I gotta grab some food," she declined, trying not to stare at Nadine's cleavage. Boy, what would it be like to have those puppies pressed into your face while she put her tongue in...

"All right," Patty said, finishing up something Meg hadn't heard. "Text if you don't bump into us."

Nadine grinned at her, and the

pair walked off. Meg blinked, the back of her t-shirt pasted to her neck. Geez, she was still turned on. The bathroom, she thought. Maybe the handicapped stall would be free. She could put the lid down, lean back a little, yank her bloomers down...put her foot up on the metal bar....

Legs still trembling, she grinned as the alarm beeped, then headed in, fantasizing about Nadine's tongue.

He stepped up to her at a kiosk, where she was browsing keychains. She wanted something to jazz up her dull, grey fob. There wasn't a whole lot to look at though. Not until Ryan tapped her elbow.

"That one," he suggested. "With the sticker."

Meg looked at him, then at the keychain he was pointing to, then back at him. Really back at him.

"Yeah?" she asked, not even paying attention. He nodded. Said something about it being the best looking one there, and Meg had no idea he was talking about car accessories. He reached into his pocket, her eyes tracking down to his junk. Hoo-boy, she thought. If I don't get off tonight, I am gonna explode!

He pulled out his own keys and showed her. He was right, it made a big improvement. Just like staring at his bulge had.

"Want a hand getting it on?"

Confused for a sec, Meg almost said something inappropriate. Instead, she caught herself, and they found a table, where he attached the new tag and affixed the lightning-bolt sticker to her fob. His had a tribal design, and he left it sitting there, next to hers. He made like he didn't notice her running her finger over it, but...he did.

"Thanks, she said. "This is my first time, y'know?"

Ryan did a double take. She clarified for him.

"Just got it today," she explained, jangling the keys. "So..."

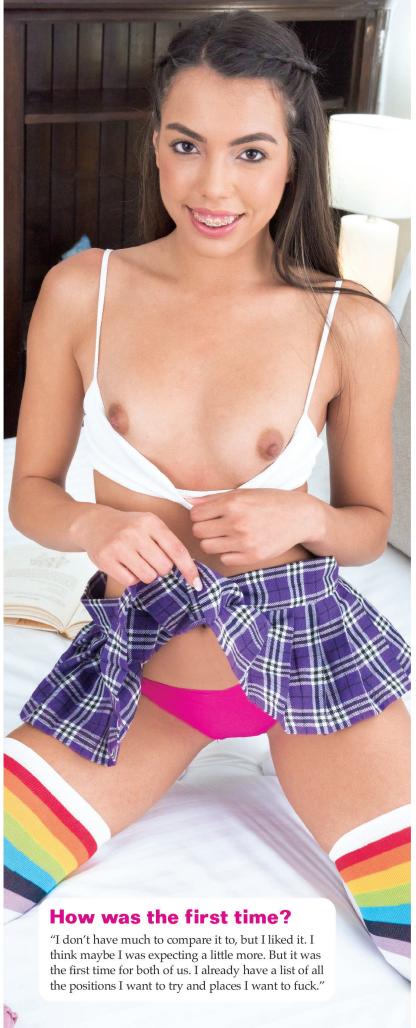

"Well then," he said. "C'mon. Take me for a spin."

"R-really?" she asked, feeling the tension between her thighs. He slid her chair back. It made her folds flutter, even with her panties glued to her lips. He extended his arm, inviting

She goes the extra mile to land the gig.

Kate is mousy in her glasses and big, shapeless sweater. She's applying for an internship at a marina, and she looks the part of a studious nerd. She says she likes big fish. Well, she's about to get up-close and personal with a giant one-eyed eel.

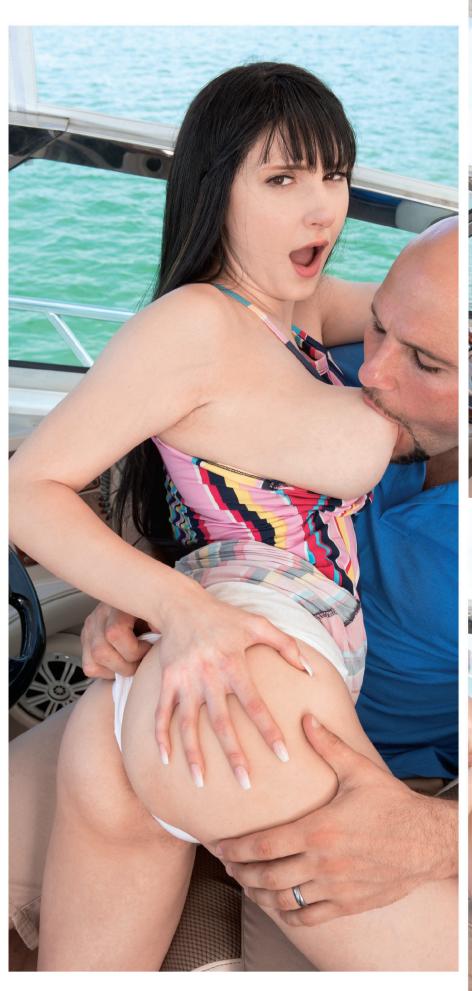

They get hot and sweaty.

Things heat up with a hot makeout session where they suck each other's tongues. Which turns into Avery sucking his cock, followed by 69ing. It might be fucked up for this guy to fuck his bro's girl, but Avery's tight body is too hot to resist. He slides in doggie-style, and he gets even stiffer at the sight of her ass jiggling with each thrust.

her to take the lead. Which she did, practically running down the escalator to get outside with him.

They drove around the parking lot, then through town a bit, and eventually, back to the mall. Ryan pointed when they were getting close, and she headed that way. Behind the movie theater, he directed.

"Over there," he said, gesturing to where the two dead light posts were.

"What's over here?" she asked, looking around. She'd never been back here before.

"Not much," he admitted, reaching past the shifter and running his knuckles along her bare thigh.

He was right. Theirs was the only car. Not that it mattered, but she pulled neatly into a spot by a tree and killed the engine, leaving the radio on.

"How do you know about this..." she began. But she couldn't finish. Ryan's mouth was on hers, his arm pulling her close. In the middle of trying to finish her question, her mouth opened, allowing his tongue to slide in.

Game on! Meg thought, shifting to face him, pushing her hands into his sleeves to reach his shoulders, where her nails dragged across the back of his neck. Clearly, a sensation he liked, given the firm pressure of his mouth on hers.

"Can you..." he began, then hesitated, both arms around her now. "Yeah, like...that."

He hauled her over the console onto his lap, sliding his seat all the way back, giving them space. His erection was stabbing into her ass cheek. Juice began flowing from her slit.

Ryan cupped a tit, Meg unaware he'd gotten a hand up her shirt. She moaned as he massaged her taut nip, throwing her head back. He let go, fumbling, trying to get her bra undone while tonguing her neck. She put his hand back on her knobs and unfastened it herself.

"Better?"

"No," he answered, peeling off her shirt and fixing his lips on her boob, sucking her left nipple.

She gasped, topless, bra laying on the floorboard, unable to remember if she had tinted windows. When her dad had told her to come outside, had

she been able to see in when, when...

She came outside, again. This time, orgasming, but still unable to recall if she could see in. Ryan's dick was jammed against her cunny now, with her half kneeling, half-straddling him as he ground it into her. That long overdue climax arrived, and she bucked so hard she slammed into the headliner. Ryan put his hand behind her head, pulling her into another passionate kiss, his free hand trying to work down into her soaked panties.

"Wait," she huffed, pushing him back. "Hold up."

He looked disappointed. It was obvious that he was uncomfortable, his cock standing at attention, his zipper straining. Meg flipped on the overhead light, got her bearings, and ducked between the seats, slipping into the back. She kicked off her slides before completing the move, her toes dragging across his chest.

"It's tight," she said suggestively, letting the double-entendre hang. "But pretty sure you can fit...."

They had traded places, Ryan on the driver's side in the backseat, Meg behind the passenger seat. Ryan was all over her, and it was driving her

crazy. Tits, lips, hips, ass...struggling to the point of nearly ripping her bloomers off. He managed, though, ogling her shiny, pink slit.

"Can I lick it?" he asked, hesitating, waiting for the go-ahead.

"You, want to go down on me?" Meg stammered. Her left leg was up on the rear panel, the vibration coming through her heel from the speakers. Her right leg hung over the front seat, Ryan's face inches from her sweet spot. Slowly, he nodded.

"Eat you 'til you cum," he confirmed, bending forward. Meg could feel his breath, hot on her clit. Oh, she wanted it all right, it didn't matter that they'd only met an hour ago, she wanted his tongue up her, bad.

"I, uh, ok."

He didn't wait. He parted her lips, dove in, and began tongue-fucking her like he knew how badly she needed to get off.

The next cum hit her like a freight train, but with the tracks backed up behind it. Bang-bang, a pair of climaxes in rapid succession. Meg squealed, back arching like a cat's, ass off the back seat, practically levitating. Her eyes watered with the ferocity, and just before the third one hit, all her muscles flexed, an uncontrollable spasm overtaking her as Ryan slammed two fingers home, packing her twat.

The Camry rocked like it had no shocks and a bass-boosting system you could hear a mile away. Meg thrust against Ryan's mouth, cumming uncontrollably. When she finally pulled away to catch her breath, the back seat was streaked with her ooze.

"Quick," she demanded. "Get those down. I need you inside me."

Ryan obliged, unzipping, giving her a look at his hard prick. She slithered under him, although it wasn't easy. Because of his size, it was hard for him to enter her. Finally, an inch made it into her box, then another. He shifted, and a third disappeared, a yelp escaping her as he stretched her inner walls.

"More," Meg begged, spreading her legs as far as they would go. Now, she could see his full length, thanks to the lights.

The lights...

They stopped, the headlights sweeping over them, illuminating the entire interior of the car.

"Uh, I think this showing's been

cancelled," he said, pulling out of her snug tunnel and yanking up his jeans, underwear still twisted around his balls. It got brighter inside the car. Meg saw the words SECURITY SUV close in. Yikes.

She kicked her bloomers under the seat, pulled up her skirt and sat up, crossing her legs and tucking her feet between the console and front seat just as the flashlight shined in.

Ryan hit the power window, looking angry.

"Dude, come on! You never made out with your girlfriend before?"

Meg shook her head, pretending, like Ryan was, that they'd just been making out. If the rent-a-cop noticed that it smelled like an orgy had been going on, it didn't show.

"Ahh, Christ," he grumbled, backing off and pulling his walkie-talkie.

'No, Carole, nothing. Couple kids swapping spit. Four-four, over."

He shrugged at Ryan as a means of an apology, and got back into his car, moving on. Ryan looked at Meg. Meg looked back. He grinned, then started to laugh. Meg did too, for a moment. Then, she pressed her foot into Ryan's crotch. He eyed her.

"Gimme your keys," he said, extending his hand. She did. Ryan hopped out, and into the front seat. Meg followed.

"Five minutes," he promised. "Trust me."

He drove, taking her car back across the tracks-god, did she love the tracks!-and cruised a back road until they pulled into a different parking lot, the smell of saltwater in the air.

"You still want to?" he asked, unzipping his fly. Meg could see the mark the band in his jockeys had left on the base of his shaft. She leaned in and gave it a kiss. Then another. Then...then he was in her mouth, his hands on the back of her head, his tip halfway down her throat.

"Ooh. Ooh yeah, Meg. Suck it."

She pushed down his pants, grabbing hold of his nuts and switching it up, sucking them before going back to his throbbing shaft. Ryan rolled his hips, fucking her face, turning her snatch soupy for a third time.

Fourth?

Pre-cum coated the inside of her cheek. She gobbled it up, trying to suck more out. Who cared if she hadn't eaten, she thought. Any second now, and she was going to swal- | know, do stuff like this."

low a mouthful.

Or so she thought.

She freed his sac, but this time, before she could wrap her lips around his cockhead, he slid away. She looked up, concerned. He winked.

"You don't know where we are, do you?"

Meg shook her head.

"Don't freak, okay?" he told her, opening the driver's side door. Meg couldn't help it, though. She started to just a little.

"Where are you going?"

Meg gurgled, the taste of Ryan's semen lingering... He drove into her, his fingers digging into her ass cheeks, pounding her doggie-style.

But he was already out, waving her to come around and join him. Her eyes darted around. She didn't see anyone, but that didn't mean much. She thought they had more privacy than you could want back behind the movie theatre. Shaky about it, she got out, rushing around the front of the car to join him.

Ryan acted like they were in his bedroom, making out with her again even though now, they were completely out in the open. It was nice out, but still, she trembled. Ryan's fingers found her slit.

"Ry...what are you..."

He stepped out of his pants. Meg kept up with the kiss, Ryan's tongue tasting like pussy. The first pussy Meg had ever tasted. And...it wasn't bad. Not bad at all.

"Cobalt Blue," he whispered, sliding his hands over her tits, removing her still-unhooked bra and giving them a squeeze. Meg's pussy was dripping, her toes curled up, the red nail polish she'd put on that afternoon standing out against the blacktop.

"What's that?" she asked, just before Ryan spun her around, pressing his chest into her back.

Place where people come to, you

He nibbled on her ear and entered her, flattening her across the hood, the motor heat teasing her buds as Ryan opened up on her.

Meg gurgled, the taste of Ryan's semen lingering in her mouth. He drove into her, his fingers digging into her ass cheeks, pounding her doggiestyle. For a while, like...maybe a whole minute, Meg resisted. She couldn't let go. There might be people around! For a second, she thought she spotted someone's reflection in the windshield. But just for a second. Then, when Ryan started getting her off again, she gave up, laying her face against the warm metal and enjoying a flat-out piledriving of a fuck.

"I wanna feel you cum," Meg moaned, palms pressed into the metal, nothing to grab hold of as Ryan continued to jackhammer her twat. She tried to look back at him, but her sweaty tits were stuck to the hood. "Did you hear me?" she repeated. "I mean it. I want to feel you jizz!"

Well," he grunted, his strokes starting to get erratic. "I don't think you're gonna have to wait long. Your back seat ain't the only thing that's tight."

Meg wondered if he was getting at something else, given the proximity of his fingers to her butthole. He twitched, though, and she braced herself. She could feel it in the depths of her cunt-he was going to shoot his load any second.

Where though, she wondered, only thinking about it now. Would he gush inside her? It would be risky, for sure. She decided he wouldn't. But then, she thought about it again. He was fucking her in a parking lot! If that wasn't too risky, what did he think of ejaculating inside her? Maybe, she thought, it'd be best to suggest an alternative. Only...she was on the verge of cumming herself. It was on the tip of her tongue, though-just like she wanted him-and yet...she couldn't get it out. The offer to let him blow his load in her mouth passed, just as she got the front-end rocking.

"Ho-ho-hooaaaaahhhhh!" she cried, creaming the quarter panel, Ryan withdrawing just before a shower of cum landed on her back. He blew a second wad over her shoulder, the spooge reaching all the way to the antenna. More followed, the next shot landing in her hair. In the distance, Meg saw a couple headed for the

beach looking back at them. She smiled, then shut her eyes, droplets of semen seeping into her butt crack.

"So, how'd the weekend go?" Nadine asked, fighting her way into her sports bra. Meg had cut gym class that morning so she could come to make-up gym...where she knew Nades would be after hearing about it in home room. No doubt now, Meg confirmed, watching openly. Nades needed new bras.

"Hooked up with this really hot guy," Meg shared, not yet having put on her bra. The other girls had finished changing already. "And whoacould he eat pussy!"

Nadine stopped. Meg rarely talked about sex stuff.

"Yeah?" Nades pressed. "Like, how many times did you cum?"

Meg got up, grabbed her bra and stepped closer. She slipped her arms into the straps, feigning difficulty with the clasp.

"You mean, before I lost count?"

"No way!" Nadine exclaimed. "He made you cum so many times you lost count? I don't believe it."

"No?" Meg said, matter-of-factly. She showed Nadine her back. "Gimme a hand, will you?"

Nadine did. Meg caught her hand and pushed it up under her right cup, index finger squarely on her nipple. Her rock-hard nipple.

"Still don't believe me?"

Meg turned, tugging down the top of Nadine's sports bra. Meg wasn't the only one sporting hard nips.

"If you aren't working after school," Meg continued, tracing the edge of Nadine's areola with her fingertip. "He's picking me up. I left my car at home. It needs a wash. There's still jizz all over the hood."

Nadine's mouth dropped open. Meg stuck her tongue into it.

"3:15, if you wanna join us," she said, pulling on her t-shirt. Nadine just nodded, standing there, staring after her. Meg strode off, heading toward
